

***If you live in Grayling House or Pipit House, please follow the advice below:  
This is specific advice for these properties only and may be different to some of  
the information in the rest of the pack***

### **Gas**

Please note there is no gas supply at Grayling House and Pipit House.

### **Alterations**

No alterations are allowed in the first year. If you wish to install a dish washer or drier, please obtain permission from PHP before works start, as we will need to arrange removal and storage of effected kitchen cupboard doors.

### **Repairs**

All repairs must be reported to Poole Housing Partnership as soon as an issue arises.

### **Heating**

Your heating is on a communal supply and is delivered through underfloor heating. So there are no radiators in your property.

### **Pets**

You are allowed 1 pet at Grayling House and Pipit House. You need to ask for permission.

If you have any questions about the information above, please contact your housing officer on **01202 264411** or email: [housingofficers.php@bcpcouncil.gov.uk](mailto:housingofficers.php@bcpcouncil.gov.uk)
